Dear Parents,

This is to bring to your notice that due to COVID-19 Pandemic, we had decided not to stop lectures of any student. We gave installments and time concessions for paying School fees. School had also reduced fees for the A.Y. 2020-21. In spite of this some parents choose not to allow their wards to attend the online classes of the school. They neither enrolled their wards for the A.Y. 2020-21 nor applied for School Leaving Certificate.

Online education is now started for the A.Y. 2021-22. We are following up since March 2021 with all the parents whose wards enrollment is pending for the A.Y. 2021-22. But still, some of the parents are not responding. We request all parents that, in case of having financial difficulties contact our school authorities to find out the solution.

School needs a written confirmation of continuation or discontinuation of the School Education of your wards. Therefore, we request you to kindly contact School office on or before July 15, 2021 for confirmation of continuation of education with us or apply for leaving certificate without any fees for Academic year 2021-22.

Regards

Skulkam.
